## Activity Descriptions and Restrictions

**Aerial Tram** Ride to the top of Hidden Peak enjoying the view all the way. The Summit Restaurant at the top is open daily for lunch and snacks. The Tram leaves the base and peak every 30 minutes.

**Peruvian Chairlift** Glide up this 4-passenger chairlift over forests, flowers and trails to the Peruvian Tunnel that leads to Mineral Basin and it's famous wildflowers. Many people take the Tram to the top, walk down through Mineral Basin to the Tunnel and ride the chairlift down to the base. Be sure to wear sturdy shoes on this excursion.

**Mountain Coaster** An exhilarating ride like no other – 3,120 feet of twists and turns. Minimum age 3, minimum height 38". Under 54" must ride with someone 16 years or over.

**Mountain Coaster Passenger** Second rider in Mountain Coaster cart. (See height requirements above.)

**ZipWhipper®** This activity combines the fun of a rock climbing wall with the thrill of a breathtaking free-fall. Climbers have 20 seconds to try and beat the clock and make it to the top. The ZipWhipper® will then carry them the rest of the way up before swinging them out for a heart-pounding, backward-swinging, drop. Participants must be at least 7 years old and be between 45 and 78 inches tall and weigh between 50 and 260 pounds. Closed-toed shoes are required. This activity is an add-on to the All-Day Activity Pass.

**Alpine Slide** Cruise down 1,300 linear feet of twists and turns on a sled you control. 7 years and older. Must fit on sled and be physically capable of using the brake.

**Alpine Slide Passenger** Children ages 3 to 6 must ride with an adult 18 years or over.

**Vertical Drop** Climb the 50-foot green tower and decide if you're brave enough for the Big Drop, which involves 9 feet of freefall followed by a gradual auto-belay down to the ground. Participants must weigh between 44 and 285 lbs.

**Bungee Trampoline** Take flight under your own power, and the help of elastic bungees. Participants must weigh between 30 and 230 lbs.

**Summer Tubing** Supported by a conveyor, summer tubing is the warm weather version of snow tubing. Thanks to its excellent slipperiness the Neveplast material permits the practice of this activity any time of the year. Tubers must be at least 4 years old and 40" tall.

**Climbing Wall** A harness is provided at the four-station Climbing Wall, and no prior climbing experience is necessary. Participants must be at least 2 years old, weigh between 30 and 250 lbs. and be wearing closed-toe shoes.

**Tree Climb** Auto-belay systems help participants climb actual trees in Chickadee Woods. Participants must be at least 2 years old, weigh between 30 and 250 lbs. and wear closed-toe shoes.

**Ropes Course** Challenge your fear of heights and your sense of balance. Max weight of 300 lbs. Children under 48" must safely fit in the harness, and be accompanied by someone 48" or taller. Closed-toe shoes required.

**Spider Mountain** A climbing tower with an inflatable slide exit for children. Participants must be under 13 years old, weigh over 30 lbs. and be at least 42" tall.

 **Kids' Inflatables** Bounce houses, slides and more for children 75 lbs. and under.

 **Mini Ropes Course** A parent-guided ropes course no more than two feet off the ground for children 6 and under. Closed-toed shoes required. Max weight of 130 lbs.

 **Mini Tree Climb** Auto-belay systems help participants climb actual trees in Chickadee Woods. Participants must be between 2 and 6 years old, weigh between 22 and 250 lbs. and wear closed-toe shoes. The harness must fit securely for participation.

Activities may be delayed or closed due to weather and safety conditions – no refunds.
